

Your Vote Matters — Please Participate in Our Upcoming Membership Vote

Our community is preparing for an important vote:

Please vote — whichever way you feel is right.

Every owner's voice matters. Whether you support the change or oppose it, your participation ensures that our community decisions reflect the true will of our residents.

The voting package will be mailed out and emailed in the coming week.

Why your vote is important

- Community decisions should be made by *all* of us, not just a small group.
- Voting is the easiest way to make sure your perspective is counted.

How to vote

You may submit your ballot by:

- Emailing your completed form
- Return Mail or dropping it off at: **Schoo Association Management, 9403 Cypress Lake Dr. "C", Fort Myers, FL 33919**

If you have questions about the vote or the process, please reach out — we are here to help.

Your voice strengthens our community

Province Park is a place we all care about. When residents participate, we make decisions that reflect our shared values, protect our property, and keep our community moving forward.

Thank you for taking a moment to vote. Your participation truly makes a difference.

Warm regards

PPCA BOD
